What does  
“living well”  
mean to you?

# Four Major Problems Are on the Minds of Most People.

---

## 1. Declining Health

- People are over stressed/medicated.
- Body weight issues are a big concern.
- Nutritional food quality has declined.
- My biggest concern is \_\_\_\_\_.

## 2. Not Enough Money

- Household incomes are declining.
- Personal debt is out of control.
- Real estate and stock markets are unstable.
- My biggest concern is \_\_\_\_\_.

## 3. Too Little Time

- People work multiple jobs just to get by.
- Family time suffers as demands at work increase.
- Lack of savings postpones retirement.
- My biggest concern is \_\_\_\_\_.

## 4. No True Life Purpose

- Most people don't like what they do and who they work with.
- People feel their work has no meaning.
- My biggest concern is \_\_\_\_\_.

*Do you lie awake at night wondering how to handle these problems?*

*Purpose comes from working toward a worthy goal that impacts the human spirit.*

## What If You Could...

---

...benefit from wellness products that are based on science and patented technologies in the areas of fat loss, skin care and optimal health that come with a **buy and try six month money-back guarantee?**

...work part-time and earn an extra \$1,000 per month?

...in the next two to five years, develop a \$100,000+ per year income?

**How would this change the quality of your life?**

**Just  
imagine the  
possibilities...**

## How Would You Feel If...

---

...you had the time and the money to do what matters most to you and your family?

...you were part of a community that empowered people to improve their physical and financial wellness?

...every day you knew you made a difference?

**Is this something you would like to explore?**

# New Possibilities with a Path to Follow

## This is your invitation to...

- ...surround yourself with positive people who are *purpose driven*.
- ...enhance your quality of life by developing a home-based business income with one of the fastest-growing business opportunities in the world.
- ...educate people who are seeking science-based wellness solutions that get results.
- ...be rewarded with the highest compensation in an entire industry, including weekend escapes, cruises and vacations to places like Cancun and Hawaii.

## A simple, step-by-step approach.

You will receive professional support and training, including free web sites to help you develop your business.

You set your hours and control your income.

*“A home-based business will make you better off than a second income. You will probably save \$2,000–\$10,000 per year by starting your own part-time business.”*
